1 **Lake Tahoe (California)**
Experience a scenic drive around majestic Lake Tahoe sites, picture splendid beaches, magical waterfalls, spectacular alpine vistas and more. Experience a scenic drive and a fun guided tour around Lake Tahoe with your dedicated and passionate local tour guide. You will be treated to a first-class door-to-door tailored tour experience, customized to your preferences, that will take you to the top attractions of Lake Tahoe. Whether you like hiking, walking, skiing, swimming or simply sightseeing around majestic Lake Tahoe, we will make sure that you enjoy a memorable tour that meet your needs and expectations.
Drive Time 3 hours to the first stop

2 **Emerald Bay State Park,**
Lake Tahoe's crown jewel – an oasis of shimmering greens, turquoise and blues against a strikingly beautiful mountain backdrop on the Lake's west shore – this is Emerald Bay. Due to Lake Tahoe's incredible clarity and depth, the colors of the lake are surreal, and Emerald Bay is the perfect place to take in the entirety of the scene.

3 **Vikingsholm,**
Vikingsholm is considered one of the finest examples of Scandinavian architecture in the United States. It is now a part of the Harvey West Unit of the Emerald Bay State Park. The house is open for tours during the summer months and the magnificent scenery may be enjoyed all year around by those wishing to visit this beautiful setting.

4 **Lower Eagle Falls**
You'll pass through the Central Valley to have a taste of California's most productive agricultural region, providing more than half of the vegetables and fruits grown in the US. We will make a quick stop at Oakdale to purchase your supplies for the day: water, snacks, food for hiking, or your whole picnic.

5 **Baldwin Beach Road**
Baldwin Beach stretches for a half mile, with breathtaking views of the Sierra Nevada mountains soaring in the distance. Unlike other Tahoe beaches, it great for swimming. There's also a nice paved trail that runs through the forest nearby; it's great for walking, running, or biking.

6 **Cupertino**
